

March 25, 1975

remain active, then?

SENATOR BARNETT: If she was working during the year, I am sure she would be inactive but...

SENATOR DUIS: I think this is the problem I have with it is determining whether a person is inactive or active.

SENATOR BARNETT: I think that is stated. I suppose the part of the inactive, Senator Duis, would be the part that would be decided by the Board if you didn't practice for a year or within a year. You would be probably put on an inactive status. I think that has to be left up to the Board for local decision. Now I said that I didn't see where they would lose their license but this is the talk and this is something that nobody has denied so, therefore, that would have to be decided by the Board.

SPEAKER: The question is, shall the Barnett amendment be adopted? Have you all voted? Have you all voted? Have you all voted? For what purpose do you rise, Senator Barnett?

SENATOR BARNETT: Mr. President, with just being two short, I would like to ask for a Call of the House, I guess. It takes 25 votes, doesn't it?

SPEAKER: Correct.

SENATOR BARNETT: OK. I will have to ask for a Call of the House.

SPEAKER: A Call of the House has been asked for. Record your presence. Indicate your presence. No, this is for a Call of the House. A vote for a Call of the House. Have you all voted? The clerk will record.

CLERK: 23 ayes, 12 nays to go under Call.

SPEAKER: Indicate your presence. Clear the Board.

CLERK: Senator Marvel voting aye on the original motion. Senator Carsten voting aye on the original motion. Senator Skarda changing from no to aye. Senator Rasmussen voting aye.

SENATOR BARNETT: I make a motion to raise the Call.

SPEAKER: Motion has been made that the Call be raised. Have you all voted? The Clerk will record.

CLERK: 23 ayes, 0 nays to raise the Call.

SPEAKER: The Call is raised. The clerk will announce the vote.

CLERK: 27 ayes, 16 nays.

SPEAKER: The amendment is adopted. Senator Cavanaugh, what do you want to do with the bill.

SENATOR CAVANAUGH: Move that the bill be advanced.

SPEAKER: Senator Dworak.
